

Doubtless Bay Dental, In the Far North of New Zealand

Use your skills in a modern patient community practice at Coopers Beach - in a truly idyllic setting for a great work / life balance.

Established in 2009, the practice has 3 surgeries providing general dentistry and a range of specialised services including orthodontic Fast braces, implants, laser dentistry and periodontal treatment. With an excellent patient base and a great support team - here is a great opportunity.

Doubtless Bay Dental

Location: 157 State Highway 10, Coopers Beach, Northland NZ

Websites: www.dbdental.co.nz and www.doubtlessbay.co.nz

Lease: 6 years to 28 February 2025, plus 6 year renewal

The practice is the only one within a 40-minute drive of the nearest towns Kaitiā and Kerikeri, with Auckland about 4 hours away. Doubtless Bay is a great marine recreational area, while nearby Mangonui is a historical whaling port. Check out the video on the website!

The surgery is modern, small and compact but with 3 spacious functional surgeries. A sterilizing room, laboratory, separate staff and patient toilet, staff kitchen, office and waiting room.

Doubtless Bay area has been identified as one of the fastest growing areas in New Zealand, with the practice seeing 30 to 45 new patients each month. The practice has plenty of growth potential and could easily manage two full time dentists and in time, a third.
